

December 30 – January 1, 2017

USDAA Trial

**Fun Fur Paws  
22352 Stargate Pl.  
Mt. Vernon, WA 98274**

**DIRECTIONS: From I-5 North/South, Take exit 218 Starbird Rd, head East on Starbird road, turn left onto Bulson Rd, keep left on Bulson Rd, turn right onto Stargate Pl**

***Please respect all posted speed limit signs: 5MPH in the driveway and parking lot.***

Thank you for entering this trial! We are looking forward to three fun-filled days of agility with our friends – two & four legged! In this document, you will find important information about the schedule and how things will run each day. Please contact me (Megan Foster) at (360)572-1827 or email me at [megan@synergydogsports.com](mailto:megan@synergydogsports.com) if you have any questions during the event. Please leave a voicemail or a text message. My phone does not always ring in the arena.

- **Crating:** Crating is available in the stalls. Be prepared to share stalls and only take up the amount of room that you need. With 140 dogs entered (and any un-entered dogs at the show) there needs to be room for 10 dogs in each stall. Please stack crates where you can. It would be great if we could keep the areas near the entry/exit gates of ring 1 clear for dogs preparing to run.
- **Parking:** Please park in rows on the east side of the building. There is also room for parking on the north and west side of the building. Watch for “no parking” signs and respect all speed limit signs. Please leave the south side of the arena open for trial committee parking. Thank you!
- **Potty areas:** Please pick up after your dogs in ALL areas of the property. There are three marked off-leash areas. One behind the restrooms and two behind the RVs. Dogs must be on-leash anywhere else on the property. This is a facility rule. The main competition fields are available to walk your dogs on-leash.
- **Respect the facility:** Please do not allow your dog to urinate on any of the trashcans, benches, flower pots, or walls outside of the arena, or anything inside the building. If an accident happens, make it known immediately so it can be cleaned up appropriately.
- **Restrooms:** The restrooms in the red outbuilding are heated; please keep those doors shut at all times. There are also portable restrooms available around the facility property.

- **Workers:** We need your help! Lots of classes, lots of runs, lots of ring crew needed! There will be white boards for each ring – grab your favorite jobs each morning and earn worker \$\$\$. Food, snacks, and water will be available for all workers.
- **Measuring:** If you are having your dog measured to re-certify their height class, please read these rules and fill out the form with it. <http://www.usdaa.com/binary/files/RemeasurementProcess&Form.pdf> Please plan to be measured during the designated check-in times. All other measurements, please complete these measurements before your first run of the day.

### Friday, December 30, 2016

7:30 AM	Building will open
8:00 AM	Check-in & Measuring will begin:
8:45 AM	Briefing and Walk-throughs will begin in both rings
